

EXTRA-EXTRA

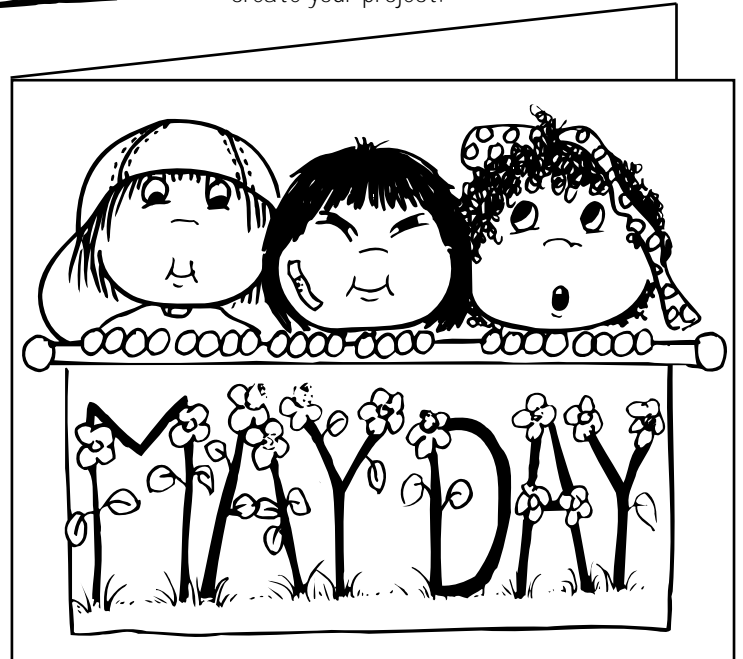

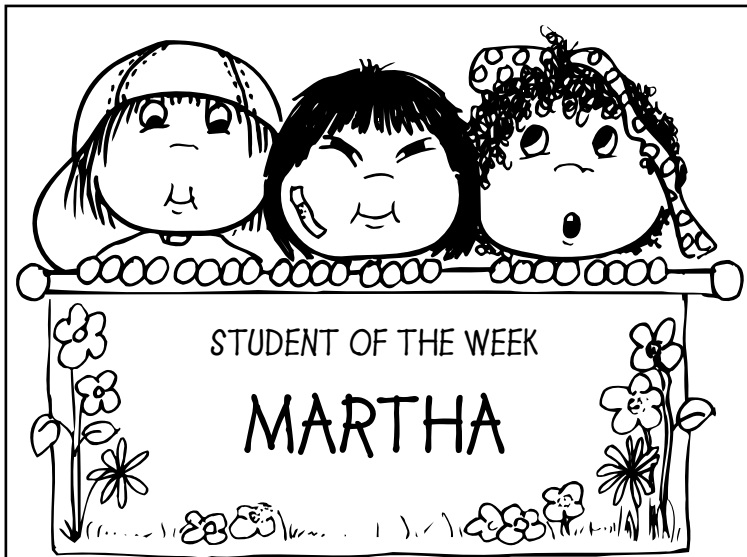

HOLIDAY HEADERS

Make headings for notes, stationery, activity sheets and newsletters. Enlarge for seasonal bulletin boards.

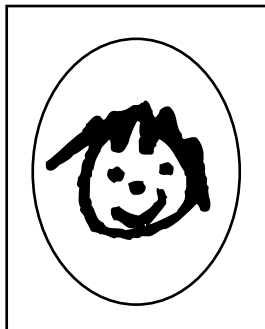

TO BEGIN

1. Cut around the 3 kids. (opposite page)
2. Cut out the holiday headings.
3. Glue the kids to the top of any of the signs.
4. Now you are ready to enlarge or reduce to create your project.

NOTE CARDS (above) Duplicate the holiday sign. Have youngsters color. Cut out 1/4 inch from design and glue to a piece of folded construction paper. Children can write thank you notes, poems or invitations on the inside.

SEASONAL BULLETIN BOARDS (left) Enlarge a design to head a bulletin board. Have children color. Use clip art images to highlight titles or accent important parts on the board or use as a border around the board.

This is a picture of me.

Martha is special because she is nice.

She helps people on the playground when they fall down.

I like her because she is my best friend. 

Martha has a really nice smile.

My favorite food is pizza. I have 2 brothers. I have a dog named Baggin. My favorite book is Eloise. I like math and reading. I like to jump rope.
